THE EVENING BULLETIN

TUESDAY, SEPTEMBER 1, 1885.

CHOLERA has appeared at Nagaski,

Japan.

Fifty new cases of small pox were reported in Montreal on Sunday.

Frank James, the Missouri robber, is said to be dying of consumption.

Mr. Enmr Looan, of the Louisville Times, is critically ill at Bowling Green.

B. F. Coates, of Portsmouth, Ohio, has been appointed receiver of the Cincin-nati and Eastern Railroad.

Returns from the cholera infected dis-

tricts in Spain for Saturday, show 3,617 new cases and 1,171 deaths from the dis-

Many of the friends of General Gordon now believe that he escaped alive from Khartoum and succeeded in making his way toward the equator. They think he will yet be heard from.

As will be seen by the proceedings of a meeting of the Democratic County Ex-ecutive Committee printed elsewhere, a primary election to select candidates will be held at all the precincts in the county on Saturday, October 10th.

LOUISVILLE sold 100,000 hogsheads of tobacco in eight and a half months. No other city has ever reached this immense sale and the citizens of our State metrop-olis propose to celebrate the event with becoming grace and dignity.

The total number of immigrants who arrived at the seven principal ports of this country during July was 28,304; for July, 1884, the number was 23,772; for the seven months ending July 31 last, 218,178; for the corresponding period last year, 276,690.

A Washington despatch to the En-quirer says: "The Treasury estimates for the next appropriations will not show any very large amount to be necessary or me next appropriations will not show any very large amount to be necessary for Deputy Marshals at the polls unless the Republican Tressury clerk who makes them up may put in the usual amount by mistake."

The Man Who Eats "Libber."

[Foxboro Register.]

Two colored barbers, one an old man and the other a young one. The young one took off his apron and started out of the door.

New York, Sept 1.—Stock operations have been considerably demoralized during the past week and a heavy depression in prices took place, apparently as the result of the past week and a heavy depression in prices took place, apparently as the result of deed promised the preferred stock of the Chicage & Northwestern company. There are ample indications that this reduction was merely a pretext for starting a movement which has been in preparation among room which has been in preparation among room the proper stocks during July and August had discounted all the benefits likely to accrue from the prepactive settlement of the rail-and analigamented schemes at present on the tapis. They saw that the buying of stocks by the bankers and railroad magnates interseted in the new consolidation dash was suspended; that a part of their speculation they concluded that it was acte to sell than to huy stocks just now.
